

Four County School Boards Association

"Redesign our Logo" 2022-2023

Student Contest

We would like to redesign our logo

Our goal is to incorporate our association name (Four County SBA) as well as the names of each of the four counties we represent (Ontario, Seneca, Wayne, and Yates Counties) in a more visible way. Our hope is when looking at the logo on a business card you would be able to see that it is the Four County SBA's logo.

Please consider sharing this idea with the art teachers in our member districts. Our hope is the teachers will encourage students to submit a new logo design for the Four County School Boards Association.

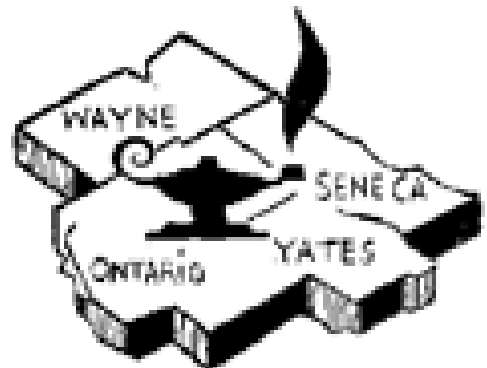

Submissions are due by January 3, 2023

Our Board of Directors will review submissions at their January Board meeting. Once our Board of Directors selects a design, we will highlight the winning design and student artist in an upcoming newsletter and on our website.

Submissions should be made by email to: 4countysba@edutech.org

Current Logo

Very Old Logo
